Review! Get extra practice!

Great refresher course!

C1 is not a trivial program, so this Blast will be intense. You will learn a lot of calls, formations, and concepts -- the most common standard C1 applications.

The learning process will be fun. And we'll get to know each other better by sharing snacks and meals together...potluck style. (Potluck variety is fun, but if you would prefer, we can arrange for catered meals.)

We will limit participation to a very small group for personal attention. RSVP your interest now by email to Christopher@Schlitter.com
